

Job Description: Graphic Designer Associate (Internship/Industrial Attachment)

Location: Hybrid (Harare-based with travel opportunities)

Duration: 8 Months – 1 Year (Attachment/Internship)

Application Deadline: 27 September 2025

About Us

StudyApplyPortal.com is an international student recruitment and advisory platform, helping students access universities and colleges worldwide. We are seeking a motivated Graphic Designer Associate (Intern) to join our team and support daily operations, projects, and student engagement initiatives. This role is ideal for students completing their required industrial attachment and looking for practical exposure in a dynamic, growth-oriented environment.

Role Description

This is a remote internship role for a Graphics Design Intern. The intern will be responsible for creating graphic content, designing logos, developing branding materials, and editing images. Additional tasks include collaborating with the marketing team to enhance the visual appeal of our digital platforms and contributing to various design projects.

Key Qualifications

- Proficient in Photoshop, Illustrator, InDesign, Quark & Adobe Creative Suite; skilled in logo design, branding, layouts, image/video editing & CAD.
- Strong creativity, attention to detail, visual composition & time management; able to work independently, remotely & meet deadlines.
- Experienced in concept planning, illustrating, preparing final artwork & reviewing/improving layouts.
- Knowledge of marketing, production, corporate identity, packaging, web & multimedia design.
- Effective communicator, collaborating with clients, teams & external partners; able to give/receive feedback.
- Strong portfolio; enrolled in or recent graduate of Graphic Design/Visual Arts

Requirements (Non-Negotiable)

- A high-performance laptop
- Reliable home WiFi for uninterrupted/reliable strong and fast internet access
- A consistent power supply with backup options such as solar energy
- A quiet and distraction-free work environment
- As our workflows are fully remote, you must be available online during your working shift with stable internet and power

Application Process
